IMPORTANT INFORMATION

EdenTree Investment Management is required to classify all its clients so that they receive an appropriate level of investor protection. EdenTree Investment Management will categorise you as a Retail Client, giving you the highest level of protection available.

For your information, the next level of classification would be a Professional Client, which may be an organisation that is considered to have the necessary experience, knowledge and expertise to make its own decisions and assess associated risk. Clients falling into this category receive lower protection than a Retail Client.

However, there are certain protections that Retail Clients receive that may not be available to Professional Clients classified as Retail Clients. In particular they may not be able to refer complaints to the Financial Ombudsman Service and are not eligible claimants under the Financial Services Compensation Scheme.

Data Protection Act

EdenTree Investment Management will always act responsibly with your personal data. By submitting your personal details, you consent to us using the information provided, as detailed in our Privacy Policy.

Our Privacy Policy can be found at www.edentreeim.com or can be requested by writing to us at Sunderland SR43 4AU.

If you have any questions about these definitions or require further detail then please contact your tax adviser or local tax authority.

“Entity”

The term “Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation. This term covers any person other than an individual (i.e. a natural person).

“Account Holder”

The “Account Holder” is the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a Financial Account, the trust or estate is the Account Holder, rather than its owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a Financial Account, the partnership is the Account Holder, rather than the partners in the partnership.

CERTIFICATION REQUIREMENTS

Where certified copy documentation is required (see requirements on page 9) this must be performed by one of the following regulated or professional persons:

- Lawyer/Solicitor
- Accountant
- Authorised Financial Intermediary

When certifying the documentation, the certifier must clearly state all of the following information on every document:

1. Full name and signature of the individual certifying the documentation.
2. Name and address of the organisation for which the individual works, in case we need to contact them.
3. The date the certification was performed.
4. The statement that “I have seen the original document and certify that this is a complete and accurate copy of the original”.
