Fund Manager Commentary

November saw the FTSE 100, FTSE 250 and FTSE small cap return -2.5%, -2.5% and -3.3% respectively. The Bank of England surprised the financial markets by holding interest rates at 0.1% despite previous hints that it would raise interest rates to combat inflation. Interestingly, two of the nine MPC members voted for a rate rise to 0.25% and three voted to end the quantitative easing programme. Sterling was weak against the US dollar. The UK government announced measures such as tightening travel restrictions and making face masks mandatory in shops and on public transport in an attempt to contain the spread of the new Omicron coronavirus variant. Auto Trader, Tatton Asset Management and Sosandar all performed well due to strong interim results. Falls in Frontier Developments, Johnson Matthey, Sabre Insurance and Actual Experience impacted performance. In terms of portfolio activity we increased our positions in Wise, On The Beach, S4 Capital, Hollywood Bowl and Games Workshop. We took profits in Legal & General and reduced our position in Argentex. We sold out of Frontier Developments and Renishaw. The Fund's focused and disciplined investment strategy has delivered material outperformance over the FTSE All Share over 1, 3, 5 and 10 years
