SOURCES OF INFORMATION

The most important document to read in order to select and compare funds is the **Key Investor Information Document (KIID)** for the fund you are interested in. The KIID includes information on investment objectives, risks, past performance and other practical information. This document has a standard layout, making it easier for potential investors to compare funds from different providers.

This **Supplementary Information Document** provides additional information that is important to individual investors in our funds. Please read and retain both documents.

Full information on the funds and their management is set out in the **Prospectuses** for the funds.

The **Annual** and **Interim Reports** contain information about the management of the assets of the fund for the previous 12 or six-month period as appropriate.

THE RISKS OF INVESTING

As well as the general risks associated with any investment, each of the funds has specific risks. Fund-specific information is given in the KIID. You can choose to invest in any of the funds and you may split your investment between them.

The value of your investment and income you get from it may fall as well as rise and you could get back less than you put in. What you get back when you encash your investment will depend on investment performance.

Inflation will, over time, reduce the value of your investment in real terms.

Tax information is based on HMRC regulation and may be subject to change.

If you begin to invest monthly and stop, you may not achieve any target amount.

Your capital may be eroded if you make withdrawals.

If you choose to receive income your capital may be eroded if income paid is higher than investment returns.

More details on all the risks mentioned above can be found in the Prospectus.

BUYING SHARES IN THE FUNDS

You may invest in the funds directly or via our Stocks and Shares ISA. Application forms and our ISA Terms and Conditions are available from your usual financial adviser or from EdenTree by calling 0800 358 3010, by emailing investments@edentreeim.com, from our website www.edentreeim.com/literature or you may purchase shares by calling EdenTree Investment Management Limited, the Authorised Corporate Director (ACD) of the Funds, on 0800 358 3010.

Verifying your identity and the use of your information

Current legislation and industry guidance state that we must check your identity and the source of the money invested. The checks may include an electronic search of information held about you on the electoral roll and using credit reference agencies. If you fill in the application form or instruct us to deal via the telephone you are giving us permission to ask for this information in line with the General Data Protection Regulations (GDPR). If you invest through a financial adviser they must fill in an Identity Verification Certificate on your behalf and send it to us with your application.

We use your information in the ways described in our Privacy Policy. Our Privacy Policy can be found at www.edentreeim.com/privacy-policy or by writing to us at our Registered Office address.

We may transfer your personal information to countries outside of the European Economic Area (the EEA). This may happen when our servers, suppliers and/or service providers are based outside the EEA. The data protection laws and other laws of these countries, may not be as comprehensive as those that apply within the EEA. In these instances we will take steps to ensure that your privacy rights are respected. Details relevant to you may be provided upon request.

Buying shares

Shares may be purchased on any business day by sending us a completed application form. Alternatively the shares may be purchased by telephoning us on 0800 358 3010 (Monday to Friday 9am to 5pm). You can invest a lump sum or monthly by Direct Debit, or both. The minimum initial lump sum investment is £1,000 for Class A (or £50 per month for regular savings plans) and £1million for Class B.

If you invest monthly, you can change your payments as long as you pay at least £50 a month per fund. You can also change the funds that your payments are directed to.

The valuation point is normally 12:00pm on a business day. Instructions received before the valuation point (10.00am for the Multi-Asset funds) will be dealt with on that day and instructions received later will be dealt with on the next business day.

We will send you confirmation of your investment within one business day of executing the deal. A contract note will be issued for lump sum investments and a confirmation letter will be issued for monthly contributions. The contract note/confirmation letter is the legally binding contract between you and EdenTree Investment Management Limited.

YOUR RIGHT TO CANCEL YOUR PURCHASE

You may have the right to cancel the investment within 14 days (30 days for ISA investments) of receipt of the notice of a right to cancel. The right to cancel will not arise if:

- a) You are a professional investor
- b) You are an execution-only customer and have chosen your investment without financial advice
- c) The agreement to purchase is entered into in the absence of any oral recommendation by an authorised person

Cancellation rights do not exist on the exchange of shares.

Where the investment is a lump sum investment, (or the first payment, being larger than the second payment in a regular payment savings plan) if you are entitled to cancel and do so, you will not get a full refund of the money paid if the purchase price of the shares falls before the cancellation request is received by us.

An amount equal to such a fall in value (the shortfall) will be deducted from the refund paid. Where the purchase price has not yet been paid you will be required to pay the amount of the shortfall to us.

ISA investors who do not cancel within the appropriate cancellation period may lose the right to reinvest, subject to the total investment limits, within that Tax year.

To cancel your investment, return the Cancellation Notice sent to you, or call us on 0800 358 3010.

SELLING YOUR SHARES

To sell some or all of your shares, you can inform us in writing or by telephone on 0800 358 3010 or fax on 020 7643 3893. You can make withdrawals at any time.

Instructions received before the valuation point (10.00am for the Multi-Asset funds) will be dealt with on that day. Instructions received later will be dealt with on the next business day.

The minimum value of shares that can be sold is £200 for Class A and £1million for Class B. The minimum value that should remain for your money to stay invested is £1,000 for Class A and £1million for Class B.

Payment will normally be made directly into your bank account within four business days.

SWITCHING FROM ONE FUND TO ANOTHER

You can switch your money between funds. We reserve the right to charge 1% of the value of the amount switched for this service, but the rate currently charged is zero
