Financial Objective

To achieve long-term capital growth over five years or more with an income through a diversified portfolio of European (ex-UK) companies.

Sustainability Objective

To invest in companies that make a positive contribution to people (employees, supply chain workers, local communities and customers) and the planet (the environment), through their products, services, and/or operations. In order to demonstrate a positive contribution to people and the planet, companies must meet the EdenTree Standard of Sustainability.
