

## Changes to the EdenTree Impact Infrastructure Fund

We, EdenTree Investment Management Limited (“**EdenTree**”), as Authorised Corporate Director of EdenTree Investment Funds – Series 2 are giving notice to all investors in the **EdenTree Impact Infrastructure Fund** (the “**Fund**”) of an update to one of the investment themes.

We periodically review our policies to ensure that they are in line with investor expectations and evolving standards. Consequently, we are making a minor amendment to the Fund’s sustainability approach, by updating the name of one of the investment themes:

Current investment theme name	New investment theme name
Alternative Energy	Clean Energy

This revision to the Fund’s investment themes will not affect the Fund’s sustainability investment objective or approach to pursuing that objective. We are making this change to add clarity. There will be no changes to the current portfolio as a result of this clarification.

**This change will take effect on 1st June 2026** and will be reflected in the Company’s prospectus.

You do not need to take any action as a result of this update. You remain able to switch your shares in your Fund for a different EdenTree Fund, or to sell your shares at any time, subject to the provisions of the prospectus.

Please do get in touch if you have any questions by calling us on 0800 358 3010 or email us at [clientservice@edentreeim.com](mailto:clientservice@edentreeim.com).
