Financial Objective

The Fund aims to generate a regular income payable quarterly with some capital growth over a period of five years or more through investment in a portfolio of government and government-related green, social, sustainable, or impact bonds.

Sustainability Objective

To invest in government and government-related green, social, sustainable or impact bonds whose proceeds will be used to finance new or existing projects that support a reduction in the level of carbon emissions caused by human activities (measured in tonnes of carbon dioxide equivalent CO2 avoided), and/or to enable greater access to basic social services (measured in number of beneficiaries).

Cumulative Performance (as at 31/05/2025)

Cumulative Performance (as at 31/05/2025)

Discrete Annual Performance (as at 31/12/2024)

As this Fund was only launched in October 2024 there is insufficient data to provide a useful indication of past performance to investors. Past performance information will be shown when the Fund has been in existence for a complete calendar year.
